Why You Feel

So weak and exhausted is because your blood is impure. As well expect the sanitary condition of a city to be perfeet with defiled water and defective sewerage, as to expect such a complicated piece of mechanism as the human frame to be in good order with impure blood circulating even to its minutest veins. Do you know that every drop of your two or three gallons of blood passes through the heart and lungs in about two and a half minutes, and that, on its way, it makes bone and muscle, brain and nerve, and all other solids and fluids of the body? The blood is the great nourisher, or, as the Rible terms it. "The Life of the Body. Is it any wonder, then, that if the blood

be not pure and perfect in its constituents, you suffer so many indescribable symptoms. Ayer's Sarsaparilla stands "head and

shoulders" above every other Alter-ative and Blood Medicine. As proof, read these reliable testimonies: G. C. Brock, of Lowell, Mass., says "For the past 25 years I have sold Ayer's Sarsapavilla. In my comion, the best remedial agencies for the cure

of all the diseases arising from impuri-ties of the blood are contained in this medicine." Eugene I. Hill, M. D., 281 Sixth Ave., New York, says: "As a blood-purifier and general builder-up of the system, I have never found anything to equal Ayer's Sarsaparilla. It gives perfect syliderically."

Ayer's Sarsaparilla proves equally efficacions in all forms of Scrofula Boils, Carbancles, Eczenia, Humors, Lumbago, Catarri, &c : and is, therefore, the very best

GOOCH'S

SYRUP OF WILD CHERRY, TAR, CLYCERINE, ETC. WILL CURE CONSUMPTION.

CONSUMPTION CAN BE CURED!

We have the gratifying fact to know that it can be cured with GOOCE'S MEXICAN SYRUP. To berculous matter is nothing more than nourishment imperfectly organized. Now, if we can precise the
organization of this food material to that through the process of exercise shining it may take its
place in the system, we can cure the disease. This is just what this Syrup does. It at ones stops
the progress of the disease by preventing the further supply of tuberculous matter, for while the system is
under its influence all nourishment is organized and assimilated. It thus controls Coughe, Night Sweats,
and all other symptoms of Consumption. Consumption is one of the most bathsome and territise of all
fatal diseases, and makes the life of the poor consumptive a helf on earth. Until recently that territise discase has been considered an affliction beyond the reach of medical world, and, since many distinguished
play skinans have asknowledged that cansumption can be cured, few there we are in the management of
pulmonary diseases seems to be dawning upon the scientific medical world, and, since many distinguished
play skinans have asknowledged that cansumptions on be cured, few there we not enterpt to continuent
their opinion. To those singled out as victims to that fatal maindy, we offer a remedy sure in its results
to bring back health to their poor weakword frames, and joy to the hearts of their friends.

Consumptives, because all other things fail, believe not that MEXICAN SYRUP will. Not a single sufferer need perifich if he or she will take GOOCH'S MEXICAN SYRUP in time. A cough it unlike any

be convined. Do you want to be saved from a consumptive's grave! Them make one more trial. This
remedy is in the reach of everybody; it only crost 50 cents a bottle. Is your life not worth 50 cents? He
